

Dear Parents of Prospective Markettes,

We are very excited that your child has shown an interest in auditioning for the Markettes! There are many aspects of being a member that you and your child should consider before auditioning. Commitment and dedication are required to be a member, as well as understanding our rules, regulations and audition procedures.

Being a member of the Markettes has been the highlight of many students' high school experience. The dance team prides themselves on their tradition of excellence and continues to push their members to new heights. Through hard work and dedication dance team members will gain character, scholarship, dance training, leadership and individual responsibility.

There is an optional parent Q&A session on Monday April 22nd from 6:00 - 6:30 pm in the auditorium at MHS. All information tryout information can be found in this packet.

The Markettes is a wonderful organization filled with hard work, many laughs, plenty of awards and wonderful memories. If you ever have any questions please feel free to contact me at any time!

Good Luck!!

Try-Out Guidelines and Information

1. This try-out clinic and try-out is for students interested in both Minikettes and Markettes. Current 8th, 9th, 10th and 11th graders will attend the clinic. Markettes are now able to take freshman, and if chosen for Markettes based on your score, you will be given the choice between Minikettes and Markettes.
2. Current 8th and 9th graders may choose to try-out only for Minikettes if they are not ready for the time and financial commitment of being on Markettes.
3. If a current 8th or 9th grader elected to audition for Markettes but the skill level is not where it needs to be to be a member of Markettes they may be placed into Minikettes or Dance I.
4. The try-out begins at 3:45 Thursday afternoon for current high school students. All current 8th graders will begin at 4:30. We will meet in the dance room to pass out numbers and discuss the process before tryouts begin. The try-out will take place in the dance room or a gym.
5. A panel of judges consisting of dance professionals will be scoring the candidates and the tabulation of scores will be completed with an administrator. The directors do not score candidates nor do they have any kind of vote in the team selection.
6. The try-outs are closed to everyone except those assisting in the try out process and administrators. **NO parents or friends will be allowed inside the school.** The students will audition 4 or 5 at a time, depending on numbers. All candidates must stay the entire time. Candidates will find out the results the following evening. The try-out numbers of the new 2024-2025 Markettes and Minikettes will be posted on the Markette website at www.memorialmarkettes.com.
7. There will be **NO** videotaping during the try-out clinic, unless otherwise specified. Dance music will be posted on the Markette website. Dancers will not receive any help from the director/s.
8. The Markette directors and dance officers will instruct the clinic and go over stretching technique, technical skills, kick technique and teach dance combinations.

Minikette Time and Financial Obligations

Minikette training and rehearsals will take place during the school day for the most part. There might be an occasional after school practice or two in the fall to learn choreography (September and/or October) and during contest season (February) but we do our best to get as much of our work done during the class period as possible.

Minikettes pay team dues of \$115 to cover t-shirts, choreography and a portion of their costumes. Minikettes will also need to purchase basic dance attire if you do not already own our required items. These items normally cost between \$100-\$200 depending on what you already own

Minikettes have performance opportunities during the year; football season, contest season and spring show.

Minikettes are required to take a minimum of 8 hours of dance over the summer and turn them in on the first day of school. Class must be dance technique based; jazz, ballet, contemporary, leaps and turns etc. Summer dance opportunities can be found on our website.

Markette Time Commitment

Summer practice/camps for the line are **MANDATORY** and are as follows:

- Pre-Camp Party July 28 (5:00-6:30)
- Line camp at MHS –July 29- August 9 (8:30-4:30)
- Company Wars August 3 (4:30-6:00)
- Choreography and Pool Party August 3 (8:00-2:00)

All members are required to attend summer camps. Any choreography they have missed will need to be learned on their OWN time. **If a Markettes misses any part of team camp the following will result:**

- If you miss 4 hours or less: 2 hour of conditioning/technique, director will provide details
- If you miss 4-7.5 hours: 4 hours of conditioning/technique, director will provide details
- For every 2 full days of camp missed you will sit out 1 halftime performance, of the director's choosing, plus the 4 hour conditioning/technique requirement for each day missed, director will provide details
- If you miss 4 or more days:

Summer dance opportunities can be found on our website. **EVERY Markette is required to take a minimum of 8 dance hours over the summer and turn them in on the first day of school (directors may assign additional hours to specific people if needed)**. Failure to turn in hours will result from being benched from football games, director discretion on how many games. Class must be dance technique based; jazz, ballet, contemporary, leaps and turns etc.

Discipline will be handled according to the Markette Constitution. Markettes will be issued demerits for infractions of the rules. If a member earns 11 demerits they will be placed on probation (must attend all practices but performance rights have been taken away.) They must still fully participate during the school day and during practice time but will not be allowed to perform. If a member reaches 17 demerits they will be expelled from the team.

Markettes is a **YEAR ROUND COMMITMENT**. We are ALWAYS in season. **We have a Markette google calendar with all of our dates for the entire year that needs to be synced to your phone.** We perform at many different functions throughout the course of the year: football games and pep rallies in the fall, basketball games and competitions during the winter, and spring show in the spring. Be prepared to practice Monday-Friday every week before school. Most days practice will begin at 6:30 am, we will occasionally come later. Work is not a legitimate excuse for missing band practice (4 occasional short after school practices during the fall in order to hear our live music) and may not interfere with the practice schedule. Doctor appointments (check-ups) are also not a legitimate excuse for missing practice. Morning tutorials will only be granted if the student has emailed Mrs. Maddox by 9:00 pm the evening prior to the tutorials and the student has checked with the teacher and the teacher is not offering afternoon tutorials. Any instance a Markette will not be at practice the director and an officer must be notified before 6:00 am, failure to make contact will result in a demerit. In order to have a successful practice we need everyone present.

Auditions will be held for “featured” more advanced skill sections in contest routines and for placement throughout the dance.

Fundraisers

The quality of the Markettes dance team program cannot be maintained without fundraising. The participation of each and every Markette family is needed! **Each Markette family (mom and/or dad) is expected to volunteer a minimum of 8 hours during the year.**

Below are the current fundraising activities the Markettes and Markettes Booster Club participate in. New fundraising ideas are always welcome!

- Underwriters Campaign
- Design, assembly, sale and distribution of Homecoming Mums and Garters
- Fall Junior Drill Clinic
- Markette For a Night
- Spring Show: sales of tickets, program business ads and personal tributes, and refreshments
 - If your child makes the Markettes as a new member for the 2024-2025 school year we ask that you volunteer to work at the 2024 spring show. As your child matures in the organization you will be asked to work less for the spring show. We want our senior parents to get to enjoy and watch their child's last performance.
